Dear

**VMCC STIRLING CASTLE SECTION**  
**43rd S&T Rally**  
to be held at  
**Cultybraggan Camp, Comrie, Perthshire**  
on  
**Saturday 2nd August 2025**

I have pleasure in inviting you to join us in beautiful Perthshire for this the 43rd S & T Rally.

You will find enclosed an entry form for your consideration and attention. **This event is very popular and is frequently oversubscribed and we would ask you to complete and return your entry form at the earliest to be assured of an entry.** If you wish additional forms, for friends or colleagues, feel free to copy the enclosures or contact me for extra copies.

Your support for this event is very much appreciated and we look forward to meeting friends old and new at Comrie in August for another enjoyable weekend.

**FEES**

The entry fee this year is **£35.00** which includes lunch for the rider/driver and a souvenir photograph. We, like other organisers, have been hard hit by rising costs in the last few years. We have managed to absorb these increases for the last few years but can no longer do this - hence the increase. It would have been more but we have decided to subsidise this year's event from Section reserves as it is now the only Regularity Run In Scotland and it would be a great loss to the Vintage scene if it were to discontinue.

**Opportunity to attend two great events within one week:**

Once again, along with our friends at the Central Section, we are promoting the S&T and National Rallies as "The Scottish Gathering". These two major rallies and social runs over consecutive week-ends allow the opportunity to enjoy our bikes, good company and some of the best, most interesting and scenic roads in Scotland during this extended period and is something to look forward to. If you have not taken part in these events before, why not consider it this year?

**The Scottish Gathering 2025.**

**Blairgowrie for the National the preceding weekend 26th to 27th July 2025**

**Comrie for the S & T over the weekend of 1st to 3rd August 2025**

You will find contact details for both events in the attached information.

**Mid-Week Social Run**

Due to the success of the mid-week social runs we plan to do another this year. It will take place on Thursday 31st July and start at 10:30 from Crieff Visitor Centre. This will help to fill the gap for all of you who are doing the S & T and National.

## **DOMESTICS**

Due to catering requirements for lunch and the prize giving supper it is essential that competitors enter in good time. The closing date will be strictly adhered to.

**Please note that the caterers will only supply meals to those who have pre-ordered and have purchased a ticket.**

## **REMEMBER - NO MEMBERSHIP CARD - NO RIDE**

This is an insurance requirement. An SACU permit provides public liability insurance for the organisers of the event. In order to retain the validity of this insurance, **the organisers must ensure that the participants are club members**. The only reliable way of doing this is to check membership cards. If the insurance requirements are not met the permit becomes invalid. If an accident should occur involving a member of the public and that person decides to sue, the organisers would be personally liable. If the rules are not followed, then the insurers may not be prepared to offer cover in future.

## **REFUND OF FEES**

After the closing date for entries, fees will not be refundable except in exceptional circumstances. All requests for refunds will be considered by the organising committee who will make the final decision.

## **ENVIRONMENTAL MATTERS**

Recently introduced regulations require us to consider Environmental aspects of running the rally. We have therefore appointed a qualified environmental official to our committee. They will consider environmental matters should they arise and decide on the appropriate action. Their decision is final.
